

LEGOS AT THE LIBRARY  
EMMAUS PUBLIC LIBRARY  
WINTER 2012  
2 - 4 PM

Once again you loved them, so let's do it again! On the three cold Saturdays listed below you can bring your favorite Legos to the library and build for a couple of hours. You're encouraged to bring your grownups, but it's only required for those under six. You can see what other people build, and even help them if they ask for it. There will be some cookies and some lemonade. No registration is necessary (so far, anyway.) This program is for all ages!

**The Saturdays are January 21, February 25, and March 24.** Then we hope for Spring and outdoor events.
