

# TALES OF THE TOWPATH

EMMAUS PUBLIC LIBRARY

MONDAY, JUNE 28

7 PM

To begin **MAKE A SPLASH READ!** for the summer, Dennis Scholl of the Delaware and Lehigh Corridor will bring Tales of the Towpath to the library for all ages. The book is the tale of a 10 year old Irish immigrant boy who works on his father's canal boat in the 1850's. Learn about coal mines, lumber camps, family farms and the canals of the period. What adventures Toby has! What fun for everyone to visit with him. The color-illustrated book will be available for purchase and autograph at the event.

Please register at the front desk of the library or by telephoning the library at 610-965-9284 during regular library hours. Please remember that due to severe budget cuts, the library is closed on Fridays.
