

OCEANS OF POSSIBILITIES BOOKMARK CONTEST

For students in grades K-12

Summer 2022 brings **OCEANS OF POSSIBILITIES** to your local library! But we need your help in getting the word out to other students.

The task: Create a bookmark that showcases the summer fun available at your public library.

The reward: Get your artwork printed! Selected designs will be featured on our bookmarks and distributed to students at local schools.

- This year's theme is **Oceans of Possibilities**. It focuses with all things in, on, or near the ocean - sea creatures, pirates, mermaid, and more! Please incorporate the theme in your design.
- Your artwork must fit within the template area. Do not extend outside of the lines or into the gray box.
- All designs must be in black ink (pen, marker, etc).
- Make your artwork as clear as possible - with few erasure marks or smudges.
- All entries are due to either Emmaus Public Library or Lower Macungie Library by Thursday, March 31, 2022.
- Selected artists will be notified by email mid-April.

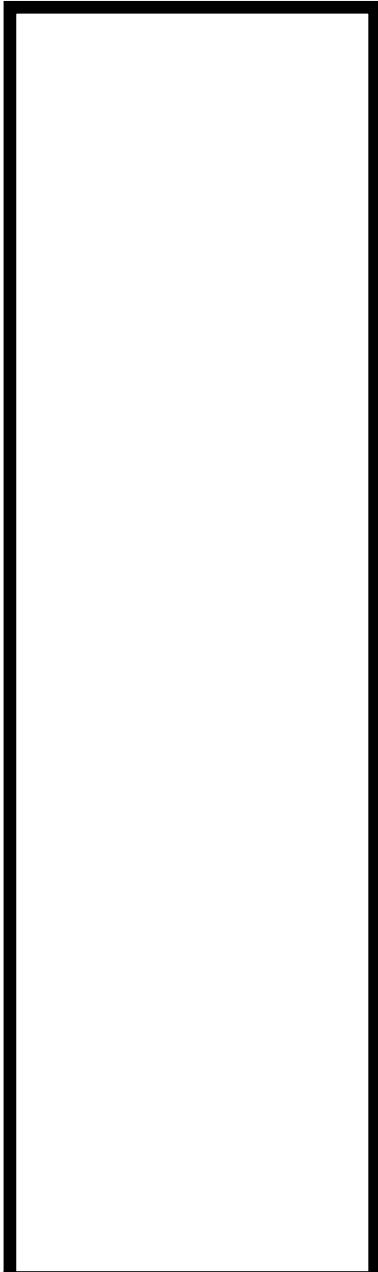

Artist's Name (first & last) _____

Artist's Age _____ Artist's Grade _____

Artist's School _____

Parent/Guardian Name _____
