

Dear Library Supporter,

Fall 2024

There's something special about the Emmaus Public Library. Perhaps it's the friendly smiles of library staff and volunteers who greet everyone as they enter the front door. Maybe it's the comfortable environment that allows for both focused work and vibrant learning. There is definitely a strong sense of community built within our accessible and equitable hub of information.

When you visit the library, you may notice some improvements to the building and grounds. The Main Street side of the building received upgraded landscaping through a Main Street grant from the Chamber Foundation. And, thanks to private funding, the staff workroom area received much-needed updates to both the facility and office furnishings.

Each month, thousands of library users of all ages visit the Emmaus Public Library to use one of our many resources; this might mean checking out a new best-seller or attending one of our many in-person events or classes. Thousands more access our "virtual branch" for access to research databases, e-books, e-audiobooks, e-magazines, or streaming films, music, or television. Individuals can also borrow specialty items such as wireless hotspots and museum passes.

The Emmaus Public Library needs your help to continue to support the needs of our community. State and local municipal funding covers only a portion of our annual operating costs—in fact, 30% of our operating budget comes from private donors like you. You can make a tax-deductible donation through the "donate" button on our website (www.emmauspl.org), or by sending a check payable to the Emmaus Public Library. Does your employer match donations?

Thank you for supporting the Emmaus Public Library. We couldn't do it without you.
